ACTION PLAN FOR ULBs & RLBs : KHAWZAWL DISTRICT

PART I: INTRODUCTION AND LEGAL MANDATE:

1.1 Preamble

This Village Action Plan (VAP) has been prepared by the Office of the Deputy Commissioner, Khawzawl District, Mizoram, pursuant to ***the directions of the Hon'ble Supreme Court of India in Bhopal Municipal Corporation v. Dr. Subhash C. Pandey & Ors.*** (C.A. No. 6174/2023), and in furtherance of the ***Solid Waste Management (SWM) Rules, 2026***, notified by the Ministry of Environment, Forest and Climate Change (MoEFCC) under the Environment (Protection) Act, 1986, effective from 1st April 2026.

The Supreme Court, through its progressive Orders dated 19.02.2026, 29.04.2026, and 05.05.2026, expressed serious concern over widespread non-compliance with waste norms across India — including massive legacy dumps and poor segregation — and directed a comprehensive, time-bound enforcement framework with District Collectors as the primary enforcement authority. Directions issued by the Deputy Commissioner/District Collector in furtherance of this Action Plan carry the authority of the Supreme Court of India.

1.2 Khawzawl District Profile

1.2 Statutory and Judicial Framework:

Instrument	Key Provision	Relevance to this Plan
SC Order 19.02.2026	Comprehensive baseline directions for SWM 2026 rollout	Forms the <i>Foundational framework</i> for preparation of this Action Plan
SWM Rules, 2026 (Rule 40)	Duties of Rural Local Bodies (District Panchayats/ Village Councils)	Primary operational mandate for village-level SWM
SWM Rules, 2026 (Rule 5)	Mandatory 4-stream source segregation	Core waste segregation practice at household level
SWM Rules, 2026 (Rule 15)	Legacy waste and dumpsite remediation	Basis for Time-bound remediation of legacy waste and dumpsites
SWM Rules, 2026 (Rule 17)	Environmental compensation— Polluter Pays	Penalty framework for defaulters
Environment (Protection) Act, 1986 (Section 5)	Power delegated to District Collector / Magistrate	Statutory enforcement powers for implementation of SWM
SC Order 29.04.2026	Follow-up directions, accountability matrix	Basis for periodic monitoring, Reporting and review
SC Order 05.05.2026 (Para 4 & 5)	Constitution of Special Cell; Delegation of powers to DCs; BWGs enforcement measures including water/electricity disconnection for non-compliant Bulk Waste Generators	Enforcement mechanism & institutional Framework
SC Order 05.05.2026 (Para 21)	11 operational directives to local bodies	Operational Road-map for implementation at village and town levels.
SC Order 05.05.2026 (Para 9)	Submission of Form IV	Baseline data collection & compliance reporting requirement.

PART II: VILLAGE-WISE PROFILE AND CATEGORISATION

2.1 Villages of District

Urban Towns under Khawzawl District:

Sl/ No.	Name of RD Block	Name of Town	Name of Village Council	No. of household (Approx)	Population		Population (Approx)
					Male	Female	
1	Khawzawl	Khawzawl	Khawzawl Arro	86	204	234	438
2	Khawzawl	Khawzawl	Khawzawl Darngawn	304	767	733	1500
3	Khawzawl	Khawzawl	Khawzawl Lungvar	185	451	423	874
4	Khawzawl	Khawzawl	Khawzawl Zuchhip	291	650	657	1307
5	Khawzawl	Khawzawl	Khawzawl Kawnzar	175	461	489	950
6	Khawzawl	Khawzawl	Khawzawl Vengthar	643	1766	1854	3620
7	Khawzawl	Khawzawl	Khawzawl Electric	240	697	683	1380
8	Khawzawl	Khawzawl	Khawzawl Dinthar	274	525	613	1138
9	Khawzawl	Khawzawl	Khawzawl Hermon	360	989	1036	2025
10	Khawzawl	Khawzawl	Khawzawl Zaingen	279	601	595	1196
11	Khawzawl	Khawhai	Khawhai	556	1185	1302	2487
12	Khawzawl	Biate	Biate	520	1176	1084	2260
Total				3913	9472	9703	19175

Rural villages under Khawzawl RD Block:

Sl/No	Name of RD Block	Name of Village Council	No. of Househo ld (Approx)	Population		Population (Approx)
				Male	Female	
1	Khawzawl RD Block	Dulte	216	475	451	926
2	Khawzawl RD Block	Kawlkulh	422	906	860	1766
3	Khawzawl RD Block	Kawlkulh North	271	566	537	1103
4	Khawzawl RD Block	Vankal	107	193	184	377
5	Khawzawl RD Block	Khualen	58	146	139	285
6	Khawzawl RD Block	Rabung	346	767	728	1495
7	Khawzawl RD Block	Aiduzawl	23	139	132	271
8	Khawzawl RD Block	Tualpui	139	328	312	640
9	Khawzawl RD Block	Ngaizawl	202	577	548	1125
10	Khawzawl RD Block	Neihdawn	153	396	376	772
11	Khawzawl RD Block	Arro	41	87	82	169
12	Khawzawl RD Block	Puilo	126	292	277	569
13	Khawzawl RD Block	Chhawrtui	259	575	547	1122

14	Khawzawl RD Block	Hmuncheng	92	205	195	400
15	Khawzawl RD Block	Tualte	276	670	637	1307
16	Khawzawl RD Block	Vangtlang	105	266	253	519
17	Khawzawl RD Block	Chalrang	167	386	366	752
18	Khawzawl RD Block	New Chalrang	138	325	308	633
19	Khawzawl RD Block	Lungtan	132	337	321	658
20	Khawzawl RD Block	Tlangmawi	44	126	119	245
21	Khawzawl RD Block	Sialhawk	515	1234	1172	2406
22	Khawzawl RD Block	Riangtlei	93	205	195	400

2	Rural	26	4768	11223	10711	21904
	TOTAL	38	8681	20695	20414	41079

PART III: FOUR-STREAM WASTE SEGREGATION – IMPLEMENTATION PLAN

3.1 Mandatory Four-Stream Segregation as per Rule 4 of the SWM Rules, 2026

All waste generators including households in every village are required to segregate waste at source into four streams:

Stream	Type of Waste	Colour of Bin	Disposal Route
Wet Waste	Kitchen waste, food scraps, fruit/vegetable peels, meat, flowers, leaves	Green	Rural Areas: On-site composting at household/community level or recycling as animal feed wherever appropriate. Urban Areas: Households shall, wherever feasible, process wet waste through kitchen gardens or on-site composting. The remaining wet waste shall be transported to the respective Solid Waste Management Centre (SWMC) at Khawzawl, Khawhai or Biate for processing once the facilities become operational.
Dry Waste	Plastic, paper, metal, glass, rubber, wood	Blue	Rural Areas*: Dry waste shall be collected and stored at the designated village waste collection/dumping site as an interim arrangement, due to absence of proper waste management facilities. Urban Areas: Dry waste shall be transported to the respective SWMCs at Khawzawl, Khawhai and Biate for sorting, recovery and recycling.
Sanitary Waste	Used diapers, sanitary napkins, tampons, condoms	Red (wrapped)	Collected in sealed bags and disposed of through the authorised agency.
Special Care Waste	Paint cans, bulbs, batteries, medicines, mercury items	Yellow/ Separate box	Deposited at designated collection centres and transported to the respective SWMC for safe storage and disposal through authorised recyclers or treatment facilities.
Policy Note* : At present, adequate Solid Waste Management Centre (SWMC) facilities are not available to cater to the collection, transportation and processing of dry waste generated in rural areas of the district. Accordingly, designated village waste collection/dumping sites shall continue to function as an interim arrangement until a sustainable system is established.			

As a long-term policy measure, the Government of Mizoram may consider either (i) **developing SWMC facilities and associated collection and transportation infrastructure for rural areas**, or (ii) establishing a **convergence framework between the Urban Development & Poverty Alleviation (UD&PA) Department and the Public Health Engineering Department (PHED)** to enable the utilisation of the existing SWMC infrastructure developed by the UD&PA Department for processing dry waste collected from rural areas. Such convergence, including the institutional arrangements, transportation mechanism, operational responsibilities and financial modalities, shall require appropriate policy decisions and implementation at the State Government level.

3.2 Action at Household-Level:

Each Village Council shall ensure the following steps at the household level:

1. **Distribution of 4-bin sets** (or 4-bag system for remote villages) to each household; shall be procured as per funding received from State Govt./Nodal Dept.
2. **Door-to-door collection** by designated Sanitation Workers, with a fixed daily or alternate-day schedule;
3. **Management of Wet Waste:** Households shall manage wet waste in accordance with the prescribed disposal mechanism. In rural areas, biodegradable waste shall be processed through on-site composting, community composting or recycling as animal feed, wherever appropriate. In urban areas, households shall, wherever feasible, **utilise kitchen gardens or on-site composting**, while the remaining wet waste shall be transported to the respective Solid Waste Management Centre (SWMC) for processing upon operationalisation of the facilities.
4. **Management of Dry Waste:** Households shall store dry waste separately and hand it over to the designated collection system. In rural areas, dry waste shall be transported to the designated village waste collection/dumping site as an interim arrangement. In urban areas, dry waste shall, upon operationalisation of the respective Solid Waste Management Centres (SWMCs), be transported to the **SWMCs at Khawzawl, Khawhai and Biata** for sorting, recovery and recycling. Until such facilities become operational, dry waste shall continue to be disposed of at the existing designated dumping sites.
5. **Prohibition of Open Burning and Littering:** Open burning, indiscriminate dumping and littering of solid waste shall be strictly prohibited. Violations shall attract action under the Solid Waste Management Rules, 2026, including the **levy of Environmental Compensation**, wherever applicable.
6. **Information, Education and Communication (IEC):** Village Councils shall undertake regular awareness campaigns, community meetings and **household outreach programmes** to promote source segregation, home composting, reduction of single-use plastics, scientific waste management practices and compliance with the Solid Waste Management Rules, 2026.

PART IV: VILLAGE-LEVEL INSTITUTIONAL FRAMEWORK

4.1 SWM Committee at Village Level including composition of the Committee:

Each Village Council shall constitute a Village SWM Committee (VSWMC) within 15 days of receipt of this Action Plan, with the following composition:

Sl/ No.	Member	Role
1	Village Council President	Chairperson
2	2 (two) Village Council elected members	Member
3	Representative, Young Mizo Association (YMA) local unit	Member- Secretary
4	Representative, Mizo Hmeichhe Insuihkhawm Pawl (MHIP / Women's Council)	Member
5	School Principal / Headmaster – All schools within the village	Special Member
6	J.E PHED concerned or his representative	Technical Support
7	Sanitation Worker	Technical Support
8	ASHA (health perspective) – consultant on Sanitary waste disposal	Special Invitee
9	President, MUP	Advisor
10	All Church leaders within the village	Special invitee

Note: BDO & DUDO will oversee the constitution and working of the VSWMC in their concerned jurisdiction. The VSWMC shall meet at least once a month and maintain a register of proceedings.

4.2 Role of Village Council under Rule 40, SWM Rules, 2026

Under **Rule 40** of the SWM Rules, 2026, Village Councils (as rural and urban local bodies) are responsible for:

- Village-level **source segregation** enforcement;
- Organising **door-to-door waste collection** with designated workers, their transportation to designated management centers.
- **Creating awareness** among residents about waste rules and penalties;

- **Preventing open dumping** and waste burning within village limits;
- Reporting to Block Development Office (BDO)/District level on waste data (Form IV);
- Coordinating with DUDO, DRDO & PHED for **Material Recovery Facilities (MRFs)** and compost plants.

Note: The VSWMC shall handhold the VCs and BDO; oversee and monitor the implementation of the SWM Rules 2026 and ensure that 4-way source segregation is implemented for **30% of the census villages within the district by the 31st October 2026; 50% by the 31st March 2027 and 100% by 31st December 2027.**

4.3 Role of Block Development Officer (BDO) and DUDO (District Urban Development Officer):

The BDO (Khawzawl RD Block) and DUDO (Khawzawl Urban) shall:

- Coordinate with all Village Councils under their jurisdiction for Plan implementation;
- Compile village-wise Form IV data and forward to the Deputy Commissioner by **last week of July, 2026;**
- **Monthly monitoring report on the actions taken by** VSWMC members on SWM compliance **and convene review meetings** with VSWMC on need basis;
- Submit **monthly** compliance reports to the DC's Special Cell;
- Facilitate training of Village Council functionaries, Sanitation workers, and VSWMC members.

PART V: WASTE MANAGEMENT INFRASTRUCTURE

5.1 Composting:

Infrastructure	Target Villages	Timeline	Implementing Agency
Household compost pits	8 Villages	Within October, 2026	Village Councils
Community Compost Yard	6 Villages	Before 31 st December 2026	BDO/Village Council

5.2 Material Recovery Facilities (MRFs):

- **District-level Material Recovery Facilities:** All recoverable dry waste shall be transported to the respective **Solid Waste Management Centres (SWMCs)** at **Khawzawl, Khawhai and Biata** for sorting, material recovery and recycling, once the facilities become operational.
- **Convergence:** Transportation of segregated dry waste from rural areas to the respective SWMCs shall be undertaken through a suitable convergence mechanism to be established by the State Government. The Government of Mizoram may consider convergence between the **Urban Development & Poverty Alleviation (UD&PA) Department** and the **Public Health Engineering Department (PHED)** to enable utilisation of the existing SWMC infrastructure for processing rural dry waste. The institutional arrangements, transportation mechanism, operational responsibilities and financial modalities shall be determined through appropriate policy decisions at the **State Government level**.

5.3 Special Care / Sanitary Waste Collection Points

- **Designated Collection Centres** to be established at PHC/CHC/Sub-Centres and Village Council offices for Special Care Waste (bulbs, batteries, medicines);
- District Civil Hospital, Khawzawl to serve as primary collection points;
- District Medical Officer to coordinate with authorized/designated sanitation workers for periodic collection.

5.4 Dustbins and Street Infrastructure

- Each govt. establishment within the district shall establish **clearly marked four-stream dustbin stations**.
- All marketplace, school, church compound, community hall, and main veng (locality) thoroughfares shall also establish **clearly marked four-stream dustbin stations**.

PART VI: LEGACY WASTE AND DUMPSITE REMEDIATION

6.1 Identification and Mapping

- **All existing dumpsites** (both authorised and unauthorised) within Khawzawl District has already been **geographically mapped** by MPCB officials on 05.05.2026, in compliance with Rule 15 of the SWM Rules, 2026. This shall be reviewed during the meeting of DC's Special Cell.

6.2 Remediation Timeline

Action	Deadline	Current Status
Identification and mapping of all legacy dumpsites	1 st Week of June	Completed
Geographical mapping and evaluation complete	31 October 2026 (Rule 15 deadline)	Completed
Complete stoppage of fresh waste dumping at existing open sites	Immediately upon notification	After the completion of SWMC at Khawzawl, Khawhai & Biate in Urban Areas.

Note: Supreme Court Direction (Para 21(j)): "There should be **no dumping of waste or legacy dumpsites**. Only rejects shall be allowed to sanitary scientific landfill."

6.3 Development for Solid Waste Management Centre in Towns of the District:

- SWMCs are under construction for Khawzawl District. The DC shall follow up on this project and expedite development/construction in coordination with UD&PA/DUDO.
 - **Khawzawl SWMC- expected to be complete by December 2026.**
 - **Khawhai SWMC-** Completion date is August 2026, the contractor has been instructed to prioritise and complete the remaining steel works at the earliest to avoid delays due to the monsoon season.
 - **Biate SWMC-** Minimal Work is remaining, expected to be complete by July 2026.

PART VII: BULK WASTE GENERATORS (BWGs)

7.1 Identification and Registration

No BWGs identified.

PART VIII: AWARENESS, TRAINING AND BEHAVIOUR CHANGE

8.1 Community Mobilisation Strategy

Capacity building/sensitization on SWM/SWM Rules, 2026 and on its implementation. Given the strong social fabric of Mizo villages — anchored in institutions such as the **Young Mizo Association (YMA)**, **MHIP (Women's Council)**, **Mizo Upa Pawl (Elders' Association)**, and the **Church** — the following culturally sensitive awareness approach shall be adopted:

Platform/Target group	Activity	Timeline	Responsibility
YMA (Young Mizo Association)	Quarterly village-level SWM rallies; door-to door awareness drives, YMA gatherings, etc.	To commence from July, 2026	PHED & YMA
MHIP(Women's Associations)	Household-level waste segregation demonstrations; compost training	July & August 2026	DUDO(ULB), PHED & MHIP
Churches (Sunday Service)	Announcements, posters, short awareness sessions during community gatherings	Ongoing	PHED (rural) & DUDO (urban)
Village Council Meetings	Monthly/quarterly agenda item on SWM compliance; review of VSWMC reports	Monthly	VCs
Schools, College, DIET (Eco-Clubs etc.)	Waste segregation competitions, cleanliness pledge, Green Campus programme	From July 2026	DEO & SDEO, Govt. Khawzawl College.
Mizo Upa Pawl (Elders)	Community champions for behavioural change	From June 2026	DUDO(ULB), PHED
Village Communities	Awareness SWMC Rules, 2026 and waste segregation, etc.	From June 2026	BDO, DPRC, DRDO

8.2 Training Programme

Category	Training Content	Responsibility	Timeline
All Village Council elected members & VSWMC Members	SWM Rules 2026, Form IV, waste segregation, composting, enforcement	DPRC, DRDO	July & August
Sanitation Workers / Waste Collectors	Collection methods, PPE use, vehicle handling, segregation at source.	DUDO (ULB); PHED (rural)	During the month of July
SHG members (MzSRLM-linked)	Vermicomposting, organic compost marketing	KVK	July & August
Teachers and Eco-Club leaders	Green School programme, waste audit, student campaigns	DUDO (ULB); PHED In convergence with School Education Dept.	July & August
Publicity through print media and social media	Waste Segregation, Importance of compost pits, do's and don'ts on handling wastes, etc.	DIPRO	During the month of July

8.3 Translation of Salient features of the Supreme Court Orders in Mizo:

Already prepared by UD&PA; and circulated within the District to all Govt. offices and VCs.

PART IX: MONITORING, REPORTING AND ACCOUNTABILITY

9.1 Reporting Structure:

Household / Waste Generator

Village Council / VSWMC (Weekly internal review)

Block Development Officers (Monthly report to Special Cell)

Special Cell, Khawzawl (Monthly compliance report)

Designated State Secretary (EF&CC/UD&PA/RD&A Department)

9.2 Key Reporting Obligations:

Report	Frequency	Submitted by	Submitted to	Supreme Court Direction
Form IV data (waste generation/processing data)	One-time (by May or 2 nd week of June 2026, then annually)	All Village Councils via BDO & DRDO	DC Special Cell → Chief Secretary → MoEFCC	Para 9, Order 05.05.2026.
Village SWM Compliance Report	Fortnightly	BDO & DRDO	DC / Special Cell	Para 4, Order 05.05.2026
Fortnightly Compliance Report	Fortnightly	DC / Special Cell	Designated State Secretary	Para 4, Order 05.05.2026
Monthly Performance Summary	Monthly	DC	State Secretary	Para 6, Order 05.05.2026
Legacy Dumpsite Geo-Mapping Report	One-time (by 1 st week of June 2026)	MzPCB, BDO & DRDO	DC / State Secretary	Rule 15, SWM Rules 2026.

9.3 Incentives and Penalties as per Para 7 of the SC Order dated 05.05.2026

As directed under **Para 7 of the SC Order dated 05.05.2026**, the following framework shall apply:

Incentives (for well-performing Village Councils):

- Priority consideration for SBM-Grameen grants;
- Recognition at District and State level (**Best SWM Village Award**);
- Preferential access to compost marketing schemes.

Penalties (for defaulting entities):

- Environmental Compensation under Rule 21, SWM Rules, 2026;
- Stoppage of water/electricity supply to non-compliant BWGs;
- Withholding of grants and entitlements to non-compliant local bodies;
- Prosecution under the Environment (Protection) Act, 1986 for persistent violators

9.4 Garbage Vulnerable Points (GVPs) — Technology-Enabled Monitoring

As directed in Para 21(c) of the Order dated 05.05.2026, the Special Cell and Village Councils shall:

- **Map all Garbage Vulnerable Points (GVPs)** in each village using GPS/mobile apps – action DUDO (in ULB), PHED by July 2026;
- Assign responsibility to specific Village Council members/Sanitation Workers for each GVP - DUDO (in ULB), PHED
- Conduct **photographic monitoring** to ensure zero-recurrence of dumping at GVPs;

PART X: FINANCIAL PLAN

10.1 Funding Sources

Source	Applicable Activity	Nodal Agency
SBM-Grameen 2.0	Household bins, compost pits, community compost yards	BDO/ PHED
VB G RAM G	Labour for waste processing units, compost pits, sanitation infrastructure	PD DRDO/ BDO
User Fees	Garbage Collection	Village Councils
Finance Commission Grants	Village-level SWM infrastructure	Village Council
State Budget (EF&CC/UD&PA/RD&AD&PHED)	District MRF, vehicles, manpower, 4 Bin Distribution, Training & Awareness Generation	DC / State Govt.
CSR Funds	Composting unit or vermicomposting, as per Para 8 SC Order 5.05.2026	DC / Industry/PSU liaison

10.2 Budget Allocation Mandate

As per Para 21(e) of the SC Order dated 05.05.2026, **Urban & Rural Local Bodies shall designate at least 30% of total funds for cleanliness and SWM.** Village Councils are similarly urged to earmark a minimum portion of Finance Commission grants for SWM activities – notification to be issued by the Deputy Commissioner.

PART XI: SPECIAL PROVISIONS FOR THE DISTRICT

11.1 Eco-Sensitive Terrain and Jhum-Land Waste

Khawzawl hill terrain, forested watersheds, and jhum cultivation areas require special attention to prevent waste dumping near streams, agricultural land, forests, and slopes. Village Councils shall ensure:

- **Strict prohibition on dumping near water sources**, rivers, and forested areas;
- Awareness that dumping near water sources also violates the Mizoram (Prevention of Pollution and Protection of Sources of Water Supply) Act and NGT orders

11.2 Model Village identification and support proposed :

Biate village — which has received recognition for good sanitation practices shall be supported with:

- **Cluster-based waste management** with neighbouring villages;
- Supply of compost bins through SBM-G;

11.3 Swachhata Marshals/Field Facilitators:

As directed in Para 21(d) of the SC Order dated 05.05.2026, **Swachhata Marshals/Field Facilitators** shall be deployed at high-footfall and garbage-prone areas including:

- Weekly markets
- Transport hubs
- School and college premises
- Major church compounds during gatherings.

PART XII: PHASE-WISE IMPLEMENTATION TIMELINE

Phase	Period	Key Actions
Phase I – Immediate	By the month of July 2026	• Constitute all VWSMCs; • Circulate SC Orders in Mizo language; • Complete Form IV data collection; • GVP mapping begins; • Conduct training/sensitization for all VC members, VSWMC members etc.; • Legacy dumpsite mapping complete
Phase II – Short-Term	June–October 2026	• Establishment of household compost pits;
Phase III – Medium-Term (August–October 2026)	October–December 2026	• Dumpsite & GVP evaluation complete; • CPCB portal registrations complete.
Phase IV – Long-Term (November 2026 onwards)	December 2026 onwards	• Bio-mining of major legacy dumps; • Zero open dumping certification process initiate; • MRF at district HQ commissioned. • Halt all fresh dumping at existing sites [Urban];

PART XIII: COMMUNICATION AND DISSEMINATION

13.1 Communication of Orders as per Para 7 of the SC Order dated 05.05.2026:

As mandated by Para 7 of the SC Order dated 05.05.2026, the **Deputy Commissioner had communicated to all Village Council Presidents and Secretaries**, through Block Development Officers, in both English and **Mizo language**.

13.2 Dissemination of the Village Action Plan:

- A copy of this VAP shall be provided to every **Village Council, BDO, PHC/CHC, and School Headmaster** in the district;
- DIPRO Khawzawl shall prepare **Mizo-language summary posters and pamphlets** for display at public notice boards, market places, Village Council offices, churches, and schools – action DIPRO, DUDO, PHED, RD&A.
- The DC's Office shall maintain a **dedicated SWM Register (digitally)** tracking village-wise progress against this Action Plan.

PART XIV: ACCOUNTABILITY MATRIX

Action	Responsible Officer	Deadline	Oversight
Constitute VSWMC in all villages	Village Council President	Within 15 days	BDO & DRDO
Form IV data collection and submission	BDO and DUDO	July 2026	DC/Special Cell
GVP mapping (all villages)	MzPCB	Done	Special cell
4-bin distribution to all households	Village Council, SBM-G, DUDO, PHED	On fund availability	DUDO, PHED, BDO
Training of VC functionaries	DPRC	Done	DC/Special Cell
Legacy dumpsite identification report & geo mapping	MzPCB	July, 2026	DUDO & BDO
