MINUTE OF THE MEETING OF SPECIAL CELL ON SOLID WASTE MANAGEMENT: KHAWZAWL DISTRICT

Venue : DC's Office Chamber.

Time : Dated 7th July 2026 @ 10:30 AM.

Member Present : Appended.

The meeting was convened under the chairmanship of Pu K. Vanlalathiana, Deputy Commissioner, Khawzawl District.

After a brief welcome address by the Chair, the meeting deliberated on the measures to be undertaken for the effective management of solid waste in Khawzawl District:

I. Disposal route for segregated 4 waste stream:

- 1) The meeting decided that the District Action Plan should clearly incorporate the collection, transportation, processing, treatment, and final disposal arrangements for wet waste, dry waste, and sanitary waste.
- 2) The meeting decided to remove the provision concerning the registration of households on the Central Pollution Control Board (CPCB) Centralized Online Portal from the District Action Plan.

II. COMPOSTING:

- 1) Composting unit at SWMC has to be included in the action plan for the ongoing construction in Khawzawl District.
- 2) It was informed by the BDO and PD, that **more than 700 household & Community Compost Pit** has already been installed within Khawzawl District.

III. Material Recovery Facility (MRFs):

- 1) **Four-stream segregation** through the use of four colour-coded bins at the household level shall be introduced in a phased manner across both urban and rural areas of Khawzawl District. Extensive awareness and sensitisation activities shall also be undertaken to ensure effective implementation.
- 2) **Convergence Measures:** The Solid Waste Management Centre (SWMC) facilities established by the UD&PA Department in urban areas [Khawzawl, Khawhai & Biate] may also be utilised by adjoining rural areas, for the disposal and processing of dry/plastic waste, subject to the available capacity and carrying capacity of the respective facilities. The Rural Development Department may further support the strengthening and development of Material Recovery Facilities (MRFs) at these

SWMCs so that they can adequately cater to the waste-management requirements of nearby rural areas.

- IV. **Designated Waste Collection points for special Care & Sanitary Waste to be identified.** [Action: DUDO Khawzawl, BDO Khawzawl].
- V. **Constitution of VSWMC in all District:** From the existing VSWMC (as proposed in the District Action Plan), Village Organization and representatives from Rural Department has to be added in the committee on village level.
- VI. **Form IV data** has to be submitted for rural areas as soon as possible. [Action: BDO]
- VII. GVP Map has to be submitted during July 2026 to the Deputy Commissioner, Khawzawl. [Action: DUDO, BDO and Village Council]
- VIII. **Legacy Dumpsites:** During the Meeting it was informed that Legacy dumpsites have already been identified by DUDO Office with MPCB and the report is also submitted accordingly.

The meeting ended with a vote of thanks from the chair.
