After detailed deliberation, the Board recommended that the firms with the lowest prices (L1) be selected for procurement of the above-mentioned items from the funds made available for the project under State Disaster Response Fund vide Government of Mizoram, Disaster Management & Rehabilitation Department Order No.B.13015/9/2019-DTE(DMR) dated 24.03.2021

The meeting noted that the L1 amount of Rs. 43,058/- only for Camera (Digital) is more than the amount sanctioned i.e., Rs. 35,000/- only in abovementioned Govt. of Mizoram, DM&R order. This is because Camera (Digital) with desired specifications is not available in local market within the sanctioned amount. The difference in prices is to be met from savings (Rs. 8,058/- only) accrued from items purchased for the same project vide GeM portal below sanction amounts.

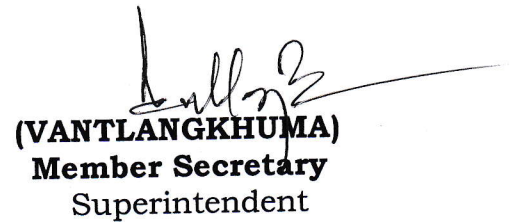

Certified that we, members of the Local Purchase Advisory Board are jointly and individually satisfied that the goods recommended for purchase are of the requisite specification and quality, priced at the prevailing market rate and the suppliers recommended are reliable and competent to supply the goods in question, and it is not debarred by Department of Commerce or Ministry/Department concerned.
