Subj: Law & Order Situation During Lockdown in Khawzawl District

In pursuance of Office Memorandum issued by the General Administration Department, Government of Mizoram vide No. B.14015/50/2020-GAD dt. 21.3.2020, and DM & R Deptt letter No. B.13021/103/2020-DMR, dt. 25.3.2020 all necessary arrangements have been made for the successful lockdown within Khawzawl District in order to contain the outbreak of Coronavirus (COVID-19) since 22nd March till today.

Free movement of the general public and all the vehicular traffic are put to a grinding hold except for exempted categories. All shops/market of essential commodities are opened for designated period i.e., from 6:00 AM to 12 Noon and they are completely closed thereafter. Village Level Task Forces (VLTF) effectively performed their duty along with Police personnel at the designated locations in their respective Village Council Area.

Stock position of Rice and Sugar at FCS & CA Godown Khawzawl is 854.26 quintal and 25.50 quintal respectively. Stock position of POL at LTM Filling Station is sufficient for essential supply to the people and for law & order duties. However, Stock of the essential commodities in the market is not sufficient to meet the rising needs of the people across the District.

Till now, there is no report of untoward incidents across the District and the situation is by and large peaceful during the last six days.
